

# GlicRx Finding a solution to the rising cost of prescription drugs.

## THE ISSUE

The spiraling cost of prescription drugs is a major concern for all Americans, often forcing people to choose between taking care of their health and paying bills.

## OUR SOLUTION

Our solution is a prescription discount card - free to everyone! Consumers can save up to 80%\* on cash purchases of eligible prescription drugs at 35,000 pharmacies.

- **NO** registration fee
- GlicRx is **FREE**

## HOW IT WORKS

Our card works anywhere in the US (including Puerto Rico, US Virgin Islands and all US territories), so you can get your prescriptions anywhere on the go. Just follow these three easy steps:

Visit GlicRx.com or the GlicRx app and enter your access code, listed on your card.

Search for medications at pharmacies near you using your zip code.

Show pharmacist your card or mobile app at purchase to save up to 80%\* off. It's as simple as that!

## THE NUMBERS

# \$50-\$60

is the average savings where GlicRx discounts apply

# 40%-60%

is the average percentage saved where GlicRx discounts apply

# 500+

Top drugs targeted using our customized pricing formulary

## WHERE IT WORKS

On behalf of consumers nationwide, we've negotiated discounts on over 500 of the most popular prescription drugs with a national network of drugstores and retail outlets to offer great savings on eligible prescription medications.

**The GlicRx Prescription Savings Program is not insurance.** To learn more about the GlicRx Prescription Savings Program, including eligible pharmacies, included prescriptions and related pricing, and other important terms and conditions and contact information, please visit **GlicRx.com** or download the mobile app. \*Prescription savings vary by prescription and by pharmacy, and may reach up to 80% off cash price.
